## From the President's Desk

December 20, 2017

Dear Readers,

We are pleased to bring to you the eighth issue of our quarterly newsletter, "The Violet Flame Voice." During the last six months, we have been busy planning and undertaking several outreach activities in Delhi and other places, namely:

- In September, we held a mini-weekend retreat at the ashram which was widely attended by the local community members.
- The twice-a-week Victory workshops at the ashram have been underway since October and are being attended by the community members.
- On Sundays, the violet flame decree sessions have been successfully held at the ashram from noon to 2:00 pm.
- In a first-of-its-kind outreach endeavor, a weekend workshop on the violet flame was conducted in Jaipur in early December.
- The Hindi version of the popular pocketbook, "Violet Flame to Heal Mind, Body and Soul" is in its final stages of completion.
- The pocketbook, "Are You Kalki? Avatar to the Rescue" is in its final stages of being sent to a publisher.
- The Chananda's Children: School in the Park project has entered its second year of helping educate the children of the park employees.

Among our goals for the next year, we have included:

- Launching a first-ever YouTube channel for sharing the teachings of the ascended masters in Hindi in January.
- Preparing to hold a weekend spiritual retreat in Jaipur sometime in March by invoking prayers for clearing the city of negative energies, and
- Conducting a weekend Summit University retreat in New Delhi in April "Experience the Light Within" for clearing of the seven chakras.

We thank the community for your encouraging participation and active support that is helping the teachings of the ascended masters become a household word in Mother India -- slowly but surely---by the grace of God!

Wishing you and yours a happy and prosperous New Year!

Sincerely,

*Jaspal S. Soni*

## Mini Retreat at the Ashram

On September 5 and 6, we conducted a two-day mini-retreat at the ashram with two visiting members of our organization from the USA, Lois Drake and Ana Maria Dean, who had arrived a few days earlier. More than 30 community members assembled each day at our ashram in Kalkaji from 3:00 pm to 6:00 pm. They enjoyed listening and sharing the teachings of the ascended masters on various topics including the Chart of the I AM Presence, the science of the spoken word, and the violet flame.

We felt the presence of the masters and angels reflected in the smooth flow of communicating the teachings through the prism of Hinduism. We did a few group decrees also to . Many people asked questions and shared their testimonials about the teachings of the ascended masters and how the teachings were making a remarkable difference in their lives. Everyone enjoyed the traditional Indian refreshments served afterwards. Many people stayed for a long time following the event to continue conversing with others.

## Victory Workshops at the Ashram

Inspired by the webinar given by The Summit Lighthouse (USA) this summer, we began a series of eight Victory Workshops at the ashram on November 4 entitled "You Can Heal Your Life & Achieve Your Goals Through Seven Simple Steps." The purpose is to share the teachings of the masters about working with our own I AM Presence in a partnership role to achieve life's goals. To fit our audience, we adapted seven practical steps involving five inner and two outer steps.

Because of the scheduling challenges faced by some people in attending on Saturday, we decided to conduct the workshops on an additional day and chose Thursdays. The timings of workshops on Saturday are from 2:30 pm to 4:30 pm and on Thursdays from noon to 2:00 pm. The workshops are free and a total of 20 people have been attending--10 on each day. Some of them are new seekers.

During her pilgrimage to India in 1980, Mrs. Prophet revealed the seven chakras of India. She said the chakras of India were as follows: Crown (Sri Nagar); Third Eye (Rishikesh); Throat (New Delhi); Heart (Jaipur), Solar plexus (Mumbai), Seat of the Soul (Hyderabad) and Base-of-the-Spine (Chennai).

Chananda Cultural Society conducted two workshops to share the teachings on violet fire in the Heart Chakra, Jaipur, on December 2nd and December 3rd. We prepared a PowerPoint presentation entitled, "Many Blessings of Violet

Agni" in English and Hindi along with a workbook given to the participants. It was a God-success as many seekers came and asked interesting questions. They seemed to have enjoyed the workshops. We have formed a WhatsApp group for the Jaipur students and plan to visit the Pink City again in February.

## Chananda's Children—School in the Park

Across from the ashram there is a beautiful spacious park used by the neighbors for walking, jogging, meditating, and relaxing. Caretakers for the park are hired on a contract basis and live onsite with their families in small, makeshift huts. Currently there are 10 children of the contract

employees who have nothing to do during the day. After talking with the parents, Chananda's Children School in the Park Project began almost a year ago. Now CCS pays a teacher who comes to the park in the late afternoons and teaches the children during the week days.

The pre-school age children have learned a great deal during the past year including their alphabets in both Hindi and English, counting numbers, reciting rhymes in English, and coloring. Their parents are very pleased with the progress. CCS also provides periodic gifts of clothes, toys and educational material which they love very much. The children's parents, who are often illiterate, want their offspring to have a better future.

## The Summit Lighthouse Introduces Free Lessons on Sanat Kumara, Archangels, Karma and Chakras

### (1) Introducing Free Lessons about Sanat Kumara to learn about your Spiritual Heritage

**Sanat Kumara** is mentioned in several religious traditions of the East and West. He is revered in Hinduism as one of the four or seven sons of Brahma. They are portrayed as youths who have remained pure. The Sanskrit name Sanat Kumara means "always a youth." He is the most prominent of the Kumaras.

#### Skanda-Karttikeya

In Hinduism, Sanat Kumara is sometimes called Skanda, or Karttikeya the son of Shiva and Parvati. Skanda-Karttikeya, as he is sometimes called, is also acclaimed as the god of wisdom and learning. He is said to bestow spiritual powers upon his devotees, especially the power of knowledge. In the Hindu mystic tradition, Karttikeya is known as Guha, which means "cave" or Secret One, because he lives in the cave of your heart. Hindu scriptures also depict Sanat Kumara is the "foremost of sages" and a knower of Brahman.

#### Ahura Mazda

The ascended masters teach that the supreme God of Zoroastrianism, Ahura Mazda, is Sanat Kumara. Ahura Mazda means "Wise Lord" or "Lord who bestows intelligence." He represents the principle of good and is the guardian of mankind and the opponent of the evil principle.

#### Dipamkara

After the withdrawal of Shamballa to the etheric octave, Sanat Kumara embodied as Dipamkara, the Lamp-Lighting Buddha. In Buddhist tradition, Dipamkara is a legendary Buddha who lived long, long ago, the first of twenty-four Buddhas who preceded Gautama Buddha.

#### Brahma Sanam-kumara

In Buddhism, there is a great god known as Brahma Sanam-kumara. His name also means "forever a youth."

## Messages from Heaven.....

### Reciting the Name of Shiva as a Decree

You have but to call, to speak my name, to exercise that name—not exorcise it! Repeat it often. Speak it to the wind and to the sky, speak it into the subway and to the trains that pass you by. Shout it into the waves of the sea. Speak it in the night and in the day. It is a fiat of light. I give it to you as a dynamic decree. Let the full momentum of the wind and the breath of the Holy Spirit be that joy within you. And when you say it, jump and say, "Shiva! Shiva! Shiva!" Now stand upon your feet and jump! Shiva! Shiva! Shiva! Shiva! (Lord Shiva and Goddess Parvati, Pearls of Wisdom®, Vol. 21, No. 46, November 12, 1978)

### Karma and Dharma – The Reason for Being

Dharma is the call of the hour, and you will not leave these planes of incarnation until you have not only balanced your karma but fulfilled your reason for being. Since that reason for being includes your service to life with your twin flame, I have come to strengthen the tie and to strengthen you as you rock your own blessed soul, your own blessed inner child, in the cradle of your heart. (Lord Krishna, Pearls of Wisdom®, Vol. 36, No. 47, October 10, 1993)

### Call to Kali for Appearing of the Divine Mother

Therefore, when you make the call, I, Kali, shall release that sacred fire into the core of Evil. Let the call go forth! For I AM here and I have had enough. And I say, Enough is enough! So behold, the day of the legions of Kali has come! The day of the legions of Kali has come, beloved. And this is not the dark night of the Kali Yuga, save for the dark ones. It is the Light Day of the Great Kali come, beloved! And it is the Day of the Appearing of the Divine Mother! (Goddess Kali, Pearls of Wisdom®, Vol. 30, No. 51, November 20, 1987)

### Cleansing by Violet Fire

I, Himalaya, by the power of the blue lotus send a fire that has a cutting edge, to strip from you now a certain hardness and density that has accrued to your auras and physical bodies, to the mind and emotions. I send a flame. And the heart of the flame is the secret ray, and in the heart of the secret ray is the violet fire. (Lord Himalaya, Pearls of Wisdom®, Vol. 30, No. 57, November 26, 1987)

## From our Members....

Season's Greetings, everyone. I am very grateful to the Chananda Cultural Society for connecting me with the teachings about the violet flame and the Ascended Masters. I have been practicing the teachings for more than one and a half years. The teachings have been a great guidance particularly at the time when I recently lost my father. During that time, in spite of the life's conditions faced by me, I had applied for a higher position and more responsibilities in the organization I am currently work for. The violet flame and the teachings have helped me to enhance and improve my visualization and gratitude practices about which I am happy to report that I got the promotion in my office I had applied for. Thank you, Thank you Thank you Violet Flame. I am so grateful to you. ----- **Pooja Sen**

Firstly, I would like to thank the Masters who are teaching about the Violet Flame and the one who introduced me to this beautiful path to connect to the Divine. Violet Flame is a very powerful way for spiritual growth. The Mantra "I AM a being of Violet Fire, I AM the purity God desires" makes you feel energetic and powerful. I was personally looking for answers outside of me, then I learnt about the "I AM Presence."

I received my answer instantly. I realized the power lies within myself and that very power of God lies within me. I am in gratitude to the Ascended Masters, Angels, Light Rays and to the Creator of all that is. I feel blessed, very positive and feel the Love and Light----- **ShivVani Rawat**

Thanks to the Ascended Masters for providing the spiritual insights, awakening and enlightenment with the violet flame and introducing me to the Keepers of Flame and angels. I believe now that God has willed for me to learn about the Summit Lighthouse and get registered in the good books of the angels to ensure their guidance and protection at every breath in this life while journeying on earth. I feel privileged to be a part of this heavenly mission by Guru Ma brought to us by the heavenly masters. ----- **Parvinder Singh**

**CHANANDA CULTURAL SOCIETY**

*Wishes You a Happy and Prosperous New Year!*
